Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 12/12/06. The submission, however, is not fully responsive to the prior Office action because The claims are drawn to a new invention. Shift of invention is not permitted in RCE filing. All claims are drawn to a new category of invention (products) where the originally examined invention was methods. This was noted in the advisory action mailed 11/29/05. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
